Krungsri Asset Management wins the Asset Management Company of the Year, Thailand 2017
from The Asset

Miss Siriporn Sinacharoen, Managing Director, Krungsri Asset Management Company Limited accepted the Asset Management Company of the Year, Thailand 2017 award from *The Asset*, Asia's leading publication in finance and investment in Asia. This award reflects a proficient management of funds, which have been considered from strong growth in business, new products' offering, and expansion of customers' base, netflow and distribution channels that cover all customer segments.
